Can you help me

Give your voice to stop hunger!

No matter how old you are, or how young you are, your voice is an important one. Write a letter to lawmakers asking them to help fight hunger. Here is a template to help you get started with your letter—it's just a starting point. Feel free to use it as a guide or create your own letter.

Cut and fill out the letter below. Maybe draw a picture or include a photo of yourself fighting hunger. Have your parents help you get it addressed and sent!

Dear _____,

My name is _____, and I'm _____ years old. This week, I have been learning about hunger in my region. Do you know that one in every six kids in my area live with hunger or are at risk of hunger? I believe that we have to change that. Kids who are hungry get sick more easily and can't do good work in school.

Will you join me in taking actions to fight hunger? I'm writing to ask you to support laws that help hungry people. Everyone should have enough to eat. If we work together, we can stop hunger. Thank you!
