

DAY #11

Time to pack up all of the food you gathered!

Almost done!

Wow! You've done a great job! Over the past 10 days, you've collected all of the items needed for some delicious holiday side dishes. You might be asking, "hey, what about a meat dish too?" Don't worry! Harvesters has meat at our warehouse to distribute to families along with all of the sides you've collected.

Pack all of the holiday food you collected in a plastic bag. Tie the handles so everything stays together inside. Then fill out the sheet below and staple it to your bag.
