

**DAY
#12**

Time to deliver
all of the food
you gathered!

Mission complete!

Day 12! You made it all the way through Harvey's Holiday Box Hunt! There's just one step left. Deliver it to Harvesters so that we can distribute it to a family for the holiday season.

Ask your parents to help you drop it in one of our donation barrels located at most local grocery stores. Once it's in a barrel, our drivers will pick it up and bring it to Harvesters. Or if you want to stop by our warehouse, we'd love to see you!
