

**DAY
#6**

Can you help me
find a can of
green beans?

Nutritious snacks keep us healthy and strong!

It's important for Harvesters to provide very nutritious foods to the community, so that the people who are suffering from hunger stay healthy and strong... just like you! Remember to make smart food choices like eating apples, carrots, cheese sticks, raisins and peanut butter. Tell your friends about staying healthy!

Can you draw this healthy snack? Copy the picture using the grid to help!
