

Hi! I'm _____
and I'm your neighbor.

I'm asking you to support Our Community Can,
a community-led food drive sponsored by
Harvesters—The Community Food Network.

Across our region, many children, families and
seniors need help with food. It really does take
our whole community to support our hungry neighbors.
Let's help provide them with the nutritious food they
need to have a healthy life. Working together, we CAN
solve hunger in our communities.

HOW YOU CAN HELP

Put some nonperishable items in
this bag and place it outside your
front door on Saturday, Sept. 24,
before _____

I will collect the bag and deliver
it to Harvesters' drop-off site.

Thank you for your support!
